FIRST DAY CANCELLATIONS

C H I N A . 1 9 6 2

Several of the following illustrations are not completely accurate due to the lack of clear strikes on covers thus far reported. Clear scans are needed. The Chinese number at center left and Arabic number at center right in the middle third of the postmarks is probably time of day. Text in the bottom third of the postmarks is probably an indication of postal zone for the listed office. Readers' help is solicited.
