CAULONIA (PROVINCIA DI REGGIO CALABRIA)
MEDICI CHE SI RECARO ALL'AMBULATORIO CAMPESTRE PER LA CURA DEI MALARICI

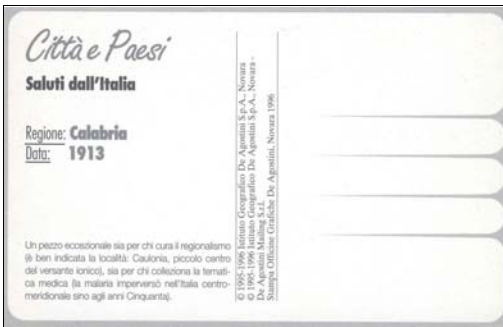

Date: 1995

Image: ox cart with traveling public health doctors

Text: Back: This is an exceptional piece both for those who collect regional cards (the indicated place is Caulonia, a small village on the Ionian coast) and for those who collect medical themes (i.e., malaria that raged over Central and Southern Italy until the 1950s).

Notes: reproduction of card A2; printed in 1996 by Geografico de Agostini, Novara

Price: C

Regione: **Calabria**
Data: **1913**

Un pezzo eccezionale sia per chi cura il regionalismo di ben indicata la località. Caulonia, piccolo centro del versante ionico, sia per chi colleziona la tematica medica (la malaria imperversò nell'Italia centro-meridionale sino agli anni Cinquanta).
