AN APPEAL -

MAY we appeal to collectors who have material to sell. By selling to us you help others, for circulation is most important in the hobby.

YOU SELL—WE BUY—and in doing so thousands of other interested collectors will eventually benefit.

GENERAL or Specialist Collections are always required, but single rarities should not be overlooked.

WHATEVER you have to offer, write in the first instance to our Chief Buyer who will, if necessary, visit you personally to view and make an offer for anything which interests us. Remember, we pay the highest prices.
